Description

This Optical Crystal "Blue Phineal" is a unique recognition award. The cobalt blue indentation highlights the "goal" represented by the upward trajectory of the design. Engrave the recipient's name and the goal achieved using our free engraving service. Designer's Profile Peter Wayne Yenawine, the world's foremost designer of corporate gifts, has designed this exclusive Magic in Crystal collection. His designs have been produced by major crystalleries and art glass houses. Collections of Yenawine designs reside in many corporate headquarters and museums throughout the world. Designer's Inspiration "to particularly celebrate innovation... there is always a new perspective from a different view..."
